FOREWORD

The Department of Social Justice & Empowerment is compiling information regarding Social Welfare Statistics. It is an endeavor of the Department to constantly upgrade its policies and programmes based on statistics drawn from social welfare indicators.

I am pleased to know that Statistics Division of this Department is bringing out the Eighth edition of the Hand Book entitled 'Social Welfare Statistics - 2021', mainly pertaining to Scheduled Castes, Scheduled Tribes, Other Backward Classes, Senior Citizens, Beggars, Transgenders and Persons with Disabilities. It contains, latest data on important indicators relating to Literacy, Education, Health, Crime, Economic Status and Representation of SCs, STs and OBCs in Central Government, Central Public Sector Enterprises and Other Institutions. In addition, it also provides some basic information on the Outlay and Expenditure on the schemes relating to the Target Groups of the Department.

I would like to appreciate the efforts of the team of the Statistics Division for compilation of this very useful handbook.

I hope that this Hand Book will be very useful for Policy Makers, Planners and Researchers to devise the programmes for the benefits and Social Empowerment of Weaker Sections of the society. I would welcome any suggestions for its further improvement.

1. Stillbirths are foetal deaths in pregnancies lasting seven or more months
2. Early neonatal deaths are deaths at age 0-6 days among live-born children
3. The sum of the number of stillbirths and early neonatal deaths divided by the number of pregnancies of seven or more months' duration, expressed per 1,000
4. Categories correspond to birth intervals of <24 months, 24-35 months, 36-47 months, and 48+ months

Extracts from the Constitution of India

41. Right to work, to education and to public assistance in certain cases-

The State shall, within the limits of its economic capacity and development, make effective provision for securing the right to work, to education and to public assistance in cases of unemployment, old age, sickness and disablement, and other cases of undeserved want.

47. Duty of the State to raise the level of nutrition and the standard of living and to improve public health-

The State shall regard the raising of the level of nutrition and the standard of living of its people and the improvement of public health as among its primary duties and, in particular, the State shall endeavour to bring about prohibition of the consumption except for medicinal purposes of intoxicating drinks and of drugs which are injurious to health.
